Source: Palouse Regional Transportation Planning Organization (PRTPO)

Rural communities across Washington State are addressing walking at many different levels from engaging the community, assessing the environment, policy development and constructing infrastructure. Join us for a one-hour webinar to learn the unique and creative ways that worked to increase walkability.

**Presenters:**

**Engaging the Community:** Walkable Cowlitz-Cowlitz County Health Department, Lauren Henricksen

**Assessment:** Palouse School Walk Route Study/Plans – Palouse Regional Transportation Planning Organization, Shaun Darveshi

**Policy:** White Salmon Complete Street Policy-Klickitat Health Department, Debi Budnick

**Infrastructure:** Trails in rural Skagit County-Skagit Valley Hospital, Liz McNett-Crowl
